The background of the entire page is a faded, sepia-toned photograph of the Kentucky State Capitol building in Frankfort. The central focus is the large, ornate dome with a lantern on top, supported by a portico of classical columns. In the lower right foreground, a family consisting of a man, a woman, and a young child are smiling and looking at each other. The man is on the left, the woman is in the center holding the child, and they are all dressed in light-colored, casual clothing. The overall tone is warm and positive, suggesting a family-friendly environment.

manufacturers. 100,000 good jobs located here in Kentucky thanks to our
horse industry. House Bill 158 would allow for video lottery terminals at race
tracks, where gambling is already taking place, and the revenue would allow
our signature industry to remain competitive with our surrounding states. This
